

Do you know that your Doctor or Care Provider can help provide you with the Scriptures on audio cassette or MP3/PC disc if you have low vision?

A FREE copy of the scriptures on cassette or MP3 can be yours if you are unable to read standard print.

- 65 Languages
- Bible Studies and Messages
- Verification of impairment is required

Just ask your care provider to verify that you are unable to read standard printed material because of low vision or a visual impairment. We will be glad to send you your own copy of the Scriptures! This service is provided free of cost or obligation of any type.

The verification must contain all of the information below and sent to us on letterhead, or you may visit **www.AudioBiblesForTheBlind.org** and simply print an order form to be filled out, verified and sent in.

- Recipients Name
- Mailing address
- Nature of impairment
- Language requested
- Certifiers Name and Title
- Mailing address
- Telephone number
- Signature
